The treasurer's report was given by Shirley, it was approved and placed on file.

Old Business: Shirley reported that the new shelving came but was the wrong size, the right size is to be made but no date given for the delivery. Shirley also reported that she is having story time for the children through July, there have been only a few attending so far. Story time will be held after school when school starts.

New Business: Nothing new was reported. There are a number of faithful readers checking out books and new books have been ordered when requested.

Respectfully Submitted:
