Shirley read the treasure's report. Dorothy made a motion it be placed on file and it was seconded by Shirley.

There was no old business to report. Mary Johnson made note of the Trunk and Treat event that was held in the auditorium basement since the weather was bad. The board had voted not to participate this year.

New business was the next on the agenda. Shirley told the board she would not feel comfortable doing story time until she has received the vaccine for Covid-19.

The board is anticipating the need for a new board member in the near future as some of the board members may be retiring. Shirley is to contact several people to see if there is an interest in obtaining new board members.

Shirley reported that she is ordering new adult books regularly. Some of these are by request. She is putting the new titles in the local papers so the patrons know what is new at the library.

The meeting was adjourned at 4:30.

Respectfully submitted,

Dorothy Novak, Secretary
